

## ABSTRACT

**Erdin Wira Satria. NPM 18.21.0085. “IMPROVE THE STUDENTS’ READING COMPREHENSION IN NARRATIVE TEXT BY USING YOUTUBE VIDEO MEDIA”** English Department, faculty of Teacher’ Training and Education Islamic University of Kalimantan Muhammad Arsyad Al-Banjary. Advisers: (1) Angga Taufan Dayu, M.Pd., BI and (2) Yudha Aprizani, M.Pd

***Keywords: Reading Comprehension, NarrativeText***

In the reading skills, the students“ are expected to be knowledgeable and familiar with the teacher has explained in the context. It means that the students“ are expected to have more skills to explain the content of the text or passage after they comprehend the reading text. That is why the purpose of reading is to get some information from the text.

Based on the explanation above, the writer is interested in conducting or having a research that focuses on strategy using youtube video under title “Improving the Students’ Reading Comprehension In Narrative Text by Using Youtube Video media at Grade VIII Junior High School 2 Kelumpang Tengah”.

This research was done conducted in March 2022 at SMPN 2 Kelumpang Tengah at class VIII, which was located in Jln. Plamboyan Desa Tebing Tinggi Kecamatan Kelumpang Tengah Kabupaten Kotabaru. The researcher was research since three meeting in classroom. The reason of the writer choosed this school was done described below: (1) Number of students in Smpn 2 Kelumpang Tengah good to do the research. (2) The problem of the research never done in this school. The implementation of the research was in the second semester academic year of 2021/2022.

Based on the test result, it was indicated that the students“ reading comprehension in narrative text was low. It can be seen from the mean score of the students was 1035 and the percentage of the students“ score of the test was 3 students who passed or got score up to 75, it was only 11%. On the other hand, 23 students failed or didn“t get score up to 75 and it was 89%. This data can be seen in the appendix.
