RE: Decision on MIM 2013 submission 515 and question about attending

muhammad marsudi

To: noc@mim2013.org

Fri 4/5/2013 3:42 AM

Dear Dr. Kirill Chernyshov,

Thank you for accepting my paper for MIM 2013 Conference. Anyway, I have questions about attending the conference. If I make registration/payment but I can not come to Saint Petersburg (because at the same time of the conference day, I and my colleague or the paper authors are assigned to go to Indonesia by our university), is it possible my paper will still be published in the conference proceeding?

Thank you Dr. for your information for this case.

Regards,

Dr. Marsudi
