Dear author(s)

Your article(s) has already been published in the *Online Journal of Animal and Feed Research*. Kindly check online and let us know within one week if there is any change or corrections required.

Please note that the DOIs of the articles are now activated. The articles will be enriched after all the published versions are fully approved by the authors. You can also check them directly via <https://search.zoanet.org/>.

The articles will also be uploaded in the international dark archives like [SciencePub's Publication Repository](http://sciencepubs.org/) (<http://sciencepubs.org/>) to increase accessibility, usability and citation.

In addition, to increase the article views and citation, we recommend that authors upload a copy of the full text of the published version in [Internet Archive](https://www.archive.org/), [Dark Library](https://www.diglib.org/), [ResearchGate](https://www.researchgate.net/), [Twitter](https://www.twitter.com/), [Academia.edu](https://www.academia.edu/), etc.

We appreciate your interest
